The ultimate for glossy, glamorous looking tresses. A free-hand colour technique is applied for a sun-kissed, soft and subtle look. This bespoke colour is ultra flattering, and low maintenance growing out beautifully with no solid regrowth. The ultimate red carpet look.

HAIR GLAZING / from €20

The glaze acts as a protective top coat, locking in colour resulting in super sleek, shiny hair. Perfect for adding tone, vibrancy and for tackling colour fade between appointments. Ideal to freshen up tired balayage and ombré or for trying new colours without making a long term commitment.
